

DEPARTMENT OF DEFENSE FIRE TRAINING AND EDUCATION

Texas Engineering Extension Service
Emergency Services Training Institute

Department of Defense Fire Training and Education

The Texas Engineering Extension Service offers a wide range of professional education and certification training to U.S. Department of Defense firefighters and contract personnel to better protect people and property within their communities.

Credential Information: TEEX is accredited through several internationally recognized organizations, including: Pro Board, American Council Education (ACE) and Continuing Education Units (CEU).

Location:

Courses are delivered at Brayton Fire Training Field in College Station, Texas, or at one of the many Department of Defense Cooperative Learning Centers (CLCs). The CLCs are located on Army, Navy, Air Force and Marine bases throughout the United States and the world.
