

# PER 211 – Medical Management of CBRNE Events

## Recommended Courses

Participants are strongly recommended to complete two internet courses prior to attending this course:

- *Basic EMS Concepts for WMD Incidents*
- *Terrorism Awareness for Emergency First Responders*

In order to access the two online courses please sign in (or create a "New User" account) at [www.teexwmdcampus.com](http://www.teexwmdcampus.com). Once inside the website, access the Course Catalog to find the listing of all the online courses. Scroll down the screen to see the listings for *Basic EMS Concepts for WMD Incidents (AWR 111)* and *Terrorism Awareness for Emergency First Responders (AWR 160)*.

Once complete, you will have an opportunity to print out your own AWR 111 and AWR 160 course completion certificates. Please print and keep these certificates for your records
